

Joint CIC/FACE DECLARATION on the funding initiative “1 Euro/hunter”

Political and societal pressure on many hunting and shooting related issues both on international and European level is tremendously increasing. Hence, the need for more financial resources to launch effective advocacy and communication activities, which are able to defend the interests of hunters. The Presidents of CIC, George Aman, and FACE, Dr. Michl Ebner, hereby agree to collaborate on the CIC initiative “1 Euro/hunter”.

The objective of this initiative is furthermore to bring to the attention of the international and European hunting community the crucial work of CIC and FACE, which has a decisive impact on national and regional policies and legislation related to wildlife management and nature conservation. This initiative will be brought to the attention of all stakeholders and partners in the hunting world. The generated financial contributions will be split between CIC and FACE.
